Allahabad asked lawyers to act in due deference to law laid down by the Supreme Court. Further were asked not to take any unpleasant steps and resume work forthwith. However, a Retired Principal Judge, Family Court was also directed to join as a member of SIT which was constituted by the State Government.

10. The lawyers and the fraternity members throughout the nation joined hands and stood by our resolutions and demand letters were widely circulated throughout the nation on social media and via WhatApps.

11. On 09.09.2023 a miscellaneous application was moved by the Bar Council of Uttar Pradesh before the specially constituted bench and the hearing was held in the chamber wherein it was held the application of Bar Council of Uttar Pradesh dated 07.09.2023 containing its grievances in relation to the incident be placed before a committee chaired by Hon`ble Mr. Justice Manoj Kumar Gupta consisting of Hon`ble Mr. Justice Rajan Roy Hon`ble Mr. Justice Faiz Alam Khan, Advocate General , Chairman Bar Council of Uttar Pradesh, President High Court Bar Association Allahabad.

12. In the meanwhile, the Bar Council of Uttar Pradesh also held its meeting and all the elected members of the Bar Council of Uttar Pradesh were present before the apex body to raise their grievances and plight of the lawyers at large in the State of Uttar Pradesh . members through various posts and letters are seen clarifying their stands. The Oudh Bar Association does not appreciate the manner in which the parent body of the lawyers is functioning. The working and the pattern is based on the narration to fade the issue in hand.

13. The Oudh Bar Association always stood for what is right and just and will not shy away in saying that the stand taken by the institution and the machinery is totally ignorant with the plight and our struggle to achieve justice in the present incident.

14. It was unfortunate that the Hapur Bar Association vide its resolution dated 10.09.2023 had to write again to the various Bar Association requesting for support from them and amongst the fraternity members.

15. We have seen that the men in black robes have always stood against injustice, it was men in black robes which contributed at large to the freedom struggle and for the framing of the rule book of fundamental rights and duties i.e., our constitution. We will also not shy away in saying that we will stand with our brothers and sisters in complete solidarity. Therefore, in the light of above said the Executive Committee and the Members of Governing Council resolves that we will abstain from judicial work on 11.09.2023.

16. A meeting to decide further course of action is scheduled on 11.09.2023 in Oudh Bar Association at 4.30 P.M. The continuance of abstinence of work will depend upon the decision of State Government.
